

## YVA Environment Project “Zhi Dian Jiang Shan”

### 青年志愿者协会纸点江山活动

Are you anxious about the accumulation of waste paper inside and outside the carton beside the printer? Do you want to pursue a clean school environment? A new round of volunteer recruitment for the short-term project group of The YVA activity “Zhi Dian Jiang Shan” has begun. Together with the friends around us, we can recycle the waste paper beside the school printer. While beautifying the campus, we also have the chance to make friends with handsome brothers and beautiful sisters. This activity will be recorded in the volunteer time, and if the volunteer accumulates a certain length of time, they can get a volunteer certificate.

This activity mainly covers North and South Campus. The time is relatively flexible. It will not take up personal time. Welcome to register enthusiastically. The registration will be notified separately by mail.
